Common Procurement Vocabulary (CPV) - describes subject of procurement contract

For more information about CPV codes, see FAQ, available at: http://ec.europa.eu/europeaid/work/funding/documents/cpv_guide_en.pdf

To fill in a CPV code or a supplementary vocabulary do the following:

- Specify a search text, e.g. "software", in the 'Search for' field and click the '<Search' or 'Search>' button to find the previous or next entry containing the search text. The found entry is shown and selected in the list box above the 'Search for' field.
- You can also browse through the entry list using the scrollbar (Adobe reader or Acrobat 9) or entry by entry by clicking the 'Up' or 'Down' buttons (Adobe Reader or Acrobat 8).
- When you have selected the right CPV code or supplementary vocabulary just click the corresponding '<<<' button below to transfer it to the proper main or additional object field. An object field can be cleared by clicking the corresponding 'Clear' button.

The CPV code selection works best with Adobe Reader or Acrobat version 9 or above. The latest version of Adobe Reader can be download free of charge from http://www.adobe.com/go/EN_US-H-GET-READER

Note: you have installed Adobe Reader version 8.102 on your PC.
